### **Feralloy Corporation, a subsidiary of Reliance Steel & Aluminum Co., announces personnel changes to Feralloy Corporation and its joint venture Acero Prime S. de R.L. de C.V.**

Chicago, IL (January \_\_\_\_\_, 2010) Carlos Rodríguez Borjas was promoted to Executive Vice President and Chief Operating Officer of Feralloy Corporation. He previously served as General Director of Acero Prime during the past 11 years. Arturo Marroquín, who has nine years of experience at Acero Prime as Operations Manager, will assume the General Director role.

#### **About Feralloy Corporation**

Feralloy Corporation is a subsidiary of Reliance Steel & Aluminum Co. (NYSE:RS). Feralloy operates six coil processing and distribution plants throughout the United States. In addition, Feralloy Corporation operates seven joint venture facilities including three processing and logistics operations of Acero Prime in México. These plants provide value added processing to hot rolled, hot rolled pickled, cold rolled and coated sheet coils for manufacturing plants and steel producers.

#### **About Reliance Steel & Aluminum Co.**

Reliance Steel & Aluminum Co., headquartered in Los Angeles, California, is the largest metals service center company in North America. Through a network of more than 200 locations in 38 states and Belgium, Canada, China, Mexico, Singapore, South Korea, and the United Kingdom, the Company provides value-added metals processing services and distributes a full line of over 100,000 metal products to more than 125,000 customers in a broad range of industries. This release may contain forward-looking statements. Actual results and facts may differ materially as a result of a variety of factors, many of which are outside of Reliance Steel & Aluminum Co.'s control. Risk factors and additional information are included in Reliance's reports on file with the Securities and Exchange Commission, including Reliance's Annual Report on Form 10-K for the year ended December 31, 2008, and Quarterly Reports on Form 10-Q for the quarters ended March 31, June 30, and September 30, 2009.
